It's a beautiful 35 minute walk along the river and the lake to our base. From the train station Interlaken Ost, follow the signs to the boat. Turn right and follow the trail to Bönigen. Keep the water on your left and you'll eventually reach us at the Strandbad.

What if the weather is bad?

With the right gear, kayaking is fun in any weather. You will be surprised how enjoyable it is to kayak in rain. The drops of water on the lake make the experience even more special. Trust us, it's going to be great! During thunderstorms or very strong winds we may have to cancel or delay tours for safety reasons.
